Dear PHA Members and Friends,

Finally, we are scheduled to have an in-person Café Europa on September 11. We already have nearly 40 people planning to attend. If you, too, want to come at 1 pm at Congregation Beth El for a salmon and chicken luncheon, please email Susan no later than Sept 7. We are able to provide transportation for survivors. With Covid still circulating in the community, we ask that anyone attending Café Europa follow CDC guidelines and NOT attend if you have any symptoms or if you have been exposed to Covid within 5 days of the luncheon. If you are unvaccinated, please take a rapid test the morning of the event.

PHA is introducing personalized High Holy Day cards that you can send to all your family and friends while supporting the important work of our association. Go to <https://phxha.com/> and look for Support.

Wishing you all a happy and healthy New Year,

Sheryl Bronkesh

CONDOLENCES

MAY THEIR MEMORIES BE A BLESSING

Condolences to the family of Hugh Metzger. Hugh was the step-father of PHA board member Karen Perna. He achieved the rank of Lieutenant Commander in the US Navy from 1953-1956 and served in the reserves until he retired from the service to his country in 1981.

Condolences to the family of Doris Martin (née Szpringer). Doris was born in Bedzin, Poland and was a Holocaust survivor. Along with her husband, Ralph, they founded the Martin-Springer Institute (MSI) at NAU. MSI brings the experiences of the Holocaust into sharp focus in order to understand those events in the context of today's concerns and crises.
