**Dear PHA Family and Friends,**

Our summer has started out rather pleasant, temperature-wise, for Arizona. I took advantage of the "cooler" temperatures to spend lots of time on my patio with my new puppy, Poppy. Now that it is warming up, we will be spending most of our time indoors in the air conditioning where I hope you are as well. To cool you off, we are hosting an ice cream and brownie social on Sunday, July 16 at Beth El Congregation. Please join us at 1 pm for ice cream or sorbet with all the toppings. Let Susan Getz know if you plan to attend and if you will need transportation. Susan can be reached at (480) 246-9551. We will provide rides for any survivor who needs a ride. Please invite your family to join us for an afternoon of decadent goodies and great conversation. As always, there is no charge for Holocaust survivors.

A special thank you to Fairytale Brownies for donating 48 brownies for our party.

I look forward to seeing you on July 16.

We held our last Café Europa for the season and it was wonderful to have 20 survivors attend. We also had three teachers who teach high school classes on the Holocaust and an 8th grade student who was recently featured in the Jewish News for her project on the Holocaust. We had the pleasure of welcoming several new survivors to the luncheon. Thank you again Susan Getz for all the hard work you do putting together our Café Europa luncheons. We will continue with in-person Café Europa in September.
