CAFE EUROPA

Dear Members and Friends,

Welcome to Fall. I like this time of year because the summer heat has worn off, the nights are cool, and it's time to get cozy. Just don't get too cozy since we have a lot of events coming up, which I hope you will join.

- Echoes from the Night of Broken Glass - 11/9
- Fractured Childhoods – 11/10
- Café Europa – 11/16
- Hanna Miley Documentary Film Premiere - 11/18

There are two events centered on Kristallnacht, the night of broken glass, which took place on November 9-10, 1938. We remember that night of terror when the Jews throughout Germany and Austria feared for their lives and their property, and synagogues were burned. It was a nationwide pogrom.

For additional information and to register for any of these offerings, please go to our website, phxha.com, in the events section.

Please come and say hello. See you soon,

Eva
